

The Baby Grace Project — Month 5
The Spiritual Adoption of babies in danger of abortion

Thank you for Praying for me.
I am 5 months now and my muscles are
getting stronger.
My mommy feels me move now and I
love to kick—maybe I'll be a Soccer

This is ME at 20 Weeks

- ⇒ Your Spiritually adopted baby's ears have developed and he can hear sounds, conversations, his mother's voice and her heartbeat!
- ⇒ His little body has grown to 12 inches and weighs about 1 pound.
- ⇒ He can make facial expressions, frowning and grimacing expressively and he is much more active in the womb thanks to strengthening muscles.
- ⇒ His teeth are beginning to form within his jawbone
- ⇒ He has some hair on his head including his eyebrows and eyelashes
- ⇒ His fingernails have grown to the tips of his fingers and he can clench his fist
- ⇒ Internal organs continue to develop
- ⇒ If you were to take a peak at him, he would be pink, translucent and quite wrinkled!

***Please continue to pray daily for babies in danger of abortion
and the conversion of hearts of their mothers and fathers***

The Daily Spiritual Adoption Prayer:

Jesus, Mary and Joseph, I love you very much.

I beg you to spare the life of _____ who I have spiritually adopted and who is in danger of abortion. Please give to the parents of this child, the grace and courage to bring their baby to birth and to the life God has planned for (him/her). Amen
