## The Baby Grace Project — I've Arrived!

The Spiritual Adoption of babies in danger of abortion has reached it's 9th month

OUR BABY GRACE PROJECT—The Spiritual Adoption for the Unborn in danger of abortion

My life on earth has begun!

Through your prayers for me, I have made it to my Birth-Day!

Please continue to pray for me so I can fulfill the mission  
God has created me for.

Thank you for Spiritually Adopting ME!

In celebration of the conclusion of our nine months of prayer for the unborn our Outreach Ministry will be collecting packages of baby diapers to help new mothers who have chosen life for their child but continue to struggle to make ends meet. Your donations will be given to our Parish Gabriel Project who assists pregnant women and newborns in their time of need. Diaper donations may be dropped off at the Cathedral Centre. Thank you!

Thank you to everyone who committed to praying for the unborn for the last 9 months!
