

## The Baby Grace Project

The Spiritual Adoption of babies in danger of abortion

Thank you for Praying for me.  
I am one month old now. I have  
a heart pumping my blood and a  
backbone. I am very, very tiny  
and I appreciate your prayers.

### 4 WEEKS—END OF MONTH 1 My Heart is Beating!

#### Did You Know?

- ◆ Your baby is already 10,000 times bigger than at conception?
- ◆ He has developed the foundation of his brain, spinal cord, and nervous system by the 20th day.
- ◆ Your baby's heart began to beat on the 21st day
- ◆ His blood type can be different from his mother's
- ◆ By the 28th day his hair began to sprout
- ◆ He is the size of an apple seed and by next week will grow to the size of a raspberry
- ◆ In the next 5 days his five fingers can be discerned in the hand
- ◆ Your baby is very vulnerable toward abortion this next month—please keep praying!
